<p>STATIN TL Attached is a volume that parallels the one we assembled for DCI-designate Schlesinger and [redacted] It was put together in the event one thought it would be useful for Ambassador Bush. Bill Nelson and I question whether it should be pouches, and similar doubts were expressed when it was briefly discussed at the last Management Committee meeting. However, if you and General Walters think otherwise, there is plenty of time to get it out there for his perusal and return.</p>
